JUKEBOX MANIA 2025

AT
The Venue

Jukebox
Mania

HOW IT WORKS

Each team playing at the Venue gets a table that's just for your team. The contact for your team has been sent a form requesting a bit more information i.e. names of team members (so we know who to expect), any accessibility needs or food allergies that we need to be aware of.

There will be **9 rounds** of music clips played. The clips are around 10 seconds each, and there's usually around 10 different clips per round. You listen to the clip and then you write down what you think the name of the song is or the artist/group is. We provide scrap paper and pencils for you to write down your ideas. Once all of the clips are played - you'll have **2 minutes** for your captain to enter the answers into the laptop, then we move onto the next round.

Each round has a theme like beach songs would be songs about beaches or that have the word beach in them - that kind of thing.

THE FOOD

There will be food (appetizer style) available throughout the evening - so grab a bite but know you can go back for more. Food and drinks will be available on both the upper and lower levels of The Venue so you don't have to go far.

There are washrooms available on both levels too. Accessible bathrooms are on the main level only (one of the questions on the form that your team contact fills out).

There are **two breaks** built into the schedule that are around **7:45 pm** and **9 pm** so you can grab some refreshments or visit the loo, but really, you can also go at any time.

That's the gist. Please don't hesitate to reach out to us if you have any other questions.
