

WELCOME TO JUKEBOX

MANIA 2025 THE VIRTUAL EXPERIENCE

PRE-GAME

Your captain needs to log in by 6:30 pm from a laptop or desktop computer. Chromebooks don't work well with the platform and phones are hard to type long answers. If your email address has been provided to us, you'll get an email by May 7th with the game link and a rundown of what you need to know. If you're a group playing from one location (i.e. a living room or a board room), you only need one device and to register your team once. If each of your team members is joining from a different location or device - only your captain registers the team, everyone else just needs to know the team name and click on the game link to join.

THE GAME

JBM starts at 7 pm sharp and runs till around 10 pm. It will consist of 9 themed 'rounds' of music with 10 clips each. Teams will need to identify EITHER the group/artist OR the song name. Punctuation counts (except accents - they're tricky to type). Players will hear the rounds once, then the captain will have 2 minutes remaining to submit answers using a laptop. You'll get two breaks (30 & 20 min) during the game.

TECH SUPPORT

Since you'll be playing virtually, you'll have access to the Triviahub platform tech support crew. A highly skilled team from the platform who will be ready to assist you if you run into any trouble along the way.

NO GOOGLE/SIRI HELP

Ignore the temptation to seek AI help. JBM works on the honour system, and is the chance for all of our JBM'ers to test their music mettle.

FAMILY FRIENDLY

We are thrilled to be hosting you virtually and a number of other folks in-person, with teams of varying ages. We're aiming for a family friendly event so that a good time is had by all.

A fundraiser for  **CCRC**
Turning things around

PARTY ON

MAY 9, 2025

ZOOM OPENS AT 6:15 PM

THE CAPTAIN OF THE SHIP (TEAM)

With great power, comes great responsibility.... you will need to be online and get your team registered by 6:30 pm. If you haven't already done so - send Sarah (sbass@ccrc-ptbo.com) an email with your team member names, team name and everyone who will be logging into a device - so she can pass that along to the platform. We're playing JBM 'pub style' this year, so just like you play pub style trivia - you have to enter your answers on a laptop. While we have tech support, your team CANNOT enter answers until you are registered on the platform. Once you complete your registration, you can kick back and enjoy some refreshments - but get ready, at 7 pm sharp you need to be on your game to keep your team in the running.

MEGAN MURPHY IS BACK!

The ever delightful Megan Murphy will be back in as our #JBM2025 host. Megan is a celebrated local filmmaker/actor/comedian/radio host who has been entertaining the masses for over two decades.

JUKEBOX MANIA - THE FUNDRAISER

While we expect it to be a ton of fun with some friendly competition. JBM is also the marquee fundraiser for CCRC. As such, we have an online auction we'd love you to check out (scan the QR code). There will be links to the auction shared throughout the game.

We are the champions

Nothing's going to stop us now

Thank you!
