Ptbo, ON K9H 3S2

Become a business partner

Want to make a difference and grow your brand?

Team up with us as a **Local Business Partner**.

Supporting a local charity shows your customers you care—and that builds trust, loyalty, and community love.

It's good for your heart *and* your business. Let's do some good—together.

No one expects to end up in a situation they can't solve. Job losses, trauma, grief, relationship stress or health problems can affect every part of a person's life.

CCRC is a registered charity offering professional counselling services at low or no cost, as well as free housing help services to anyone in Peterborough region.

We help people turn things around, but we can't do it alone.

Donations mean we can fill funding gaps, and help more people find a better way forward.

Partner with us to grow a community where businesses and people thrive.

Make Change at the Checkout

Invite your customers to round up or donate at the till to support CCRC. It's a simple way to give back - and show your community you care.

Become an Event Sponsor

Get your name out there and treat your team to a great time - sponsor a community event like Jukebox Mania

Donate

Your donation helps cover the costs that other funding doesn't - so we can keep helping people in our community get back on their feet.
