What students can expect:

- Hands-on learning experiences
- Flexible work arrangements
- Ongoing mentoring
- Insight into real-world applications and challenges
- Networking opportunities
- Technical and soft-skill development

CCRC also accepts placement students to assist with **fundraising and communications** initiatives as well as to support the needs of the **Peterborough Domestic Abuse Network**. We accept students from **Business, Marketing, Social Service Worker, Bachelor of Social Work and Community Justice** programs to assist with one or more of these areas. These placements are accepted on an ongoing basis.
